LET'S GO MOLINE!

MHS was definitely "Bursting at the Seams" this year. The addition of 691 freshman and 41 new teachers, resulting from the Moline School Board's decision to close Calvin Coolidge junior high, brought with it more crowded hallways and classrooms. Many classes consisted of more than thirty students this year, and almost every locker was occupied. In order to accomodate the increased number of students, the class schedule was staggered this year with many upperclassmen having classes from 8:00 to 2:30 and most freshmen attending class from 9:00 to 3:30.

The addition of freshman to MHS brought with it many advantages to offset the crowdedness. Freshmen participated in various school activities, making many clubs and organizations more active, as well as adding to our athletic teams. Student Congress was able to expand this year, and provide the entire student body with more services.

Even though we were bursting with new students this year, the entire student body has profited from the change.

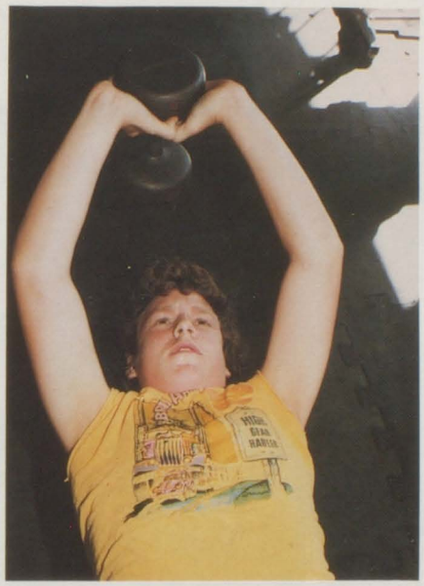
MHS students demonstrate their pyramid-building technique.

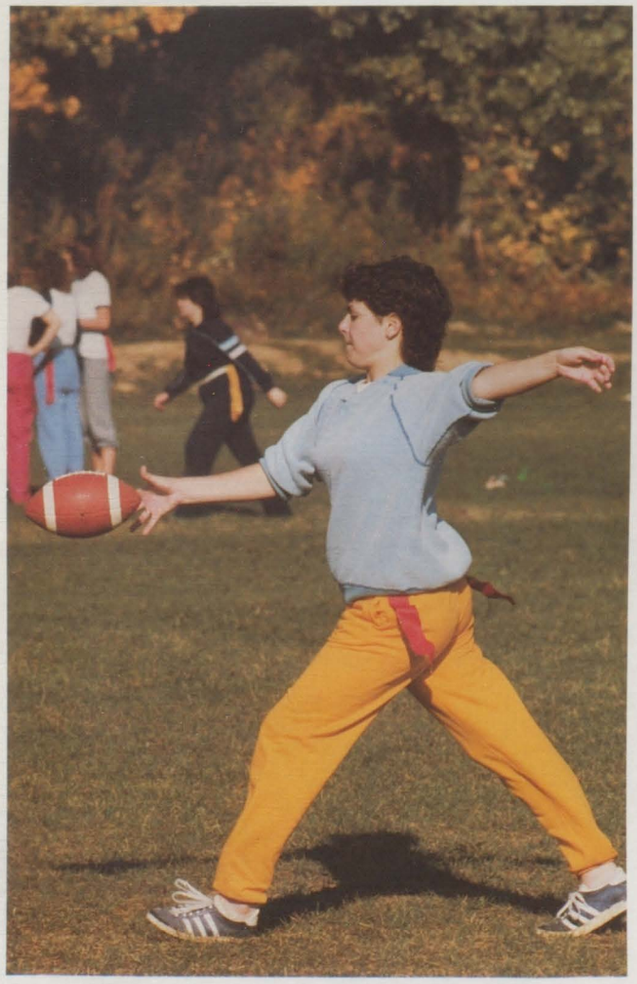
Missy Sadler and Sarah Jenkins fill their "Bugs" to the rim with students.

Tom Welander displays his radical locker.

The MHS Contemporaires begin their famous kick line.

Weight training in the "Muscle Lab" is a popular P.E. activity.





Swinging for the fences, a softballer drives home the winning run.

Senior Melissa Maring begins her punt on fourth down during flag football in P.E.

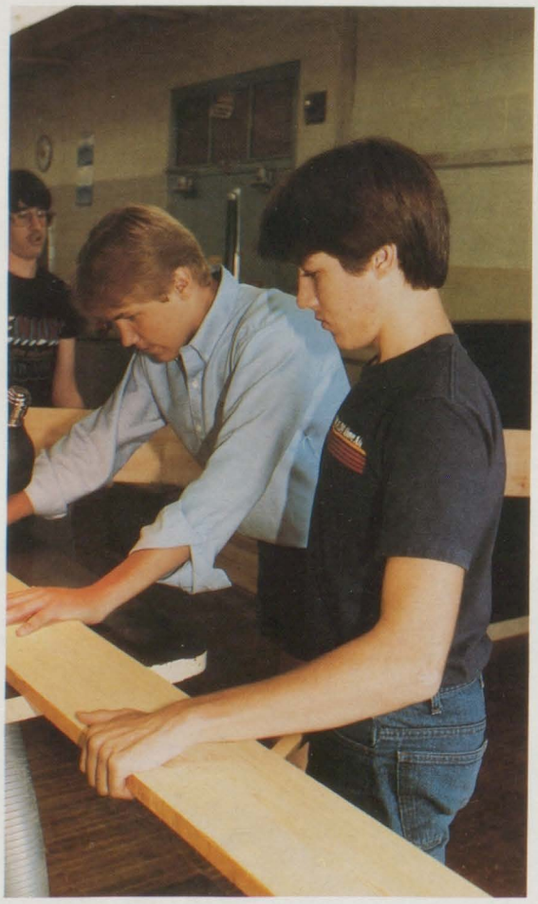
LET'S GO MAROONS!

We are Moliners, We're from Moline.
Our team's the finest, You've ever seen.
Rah! Rah! Rah!
You do your best boys, We'll do the rest boys.
Fight on for old Moline.
Rah! Rah! Rah! Rah! Rah!
Team! Team! Team!

We're from Moline,
Couldn't be prouder,
Can't hear us now,
So yell a little louder.
M-O-L-I-N-E, Moline! Moline! Yea!

Fire Up! Fire up up up!
Fire Up! Fire up up up!
Sparks are flying,
Maroons are trying,
Fire Up! Fire UP! UP! UP!

Stand up, Be proud, Say your name, Out loud, We are MOLINE! We are Moline, The mighty mighty MAROONS! Say Hey! Hey! Hey! Hey! Stand up, Be Proud, Say your name, Out loud, We are MOLINE!

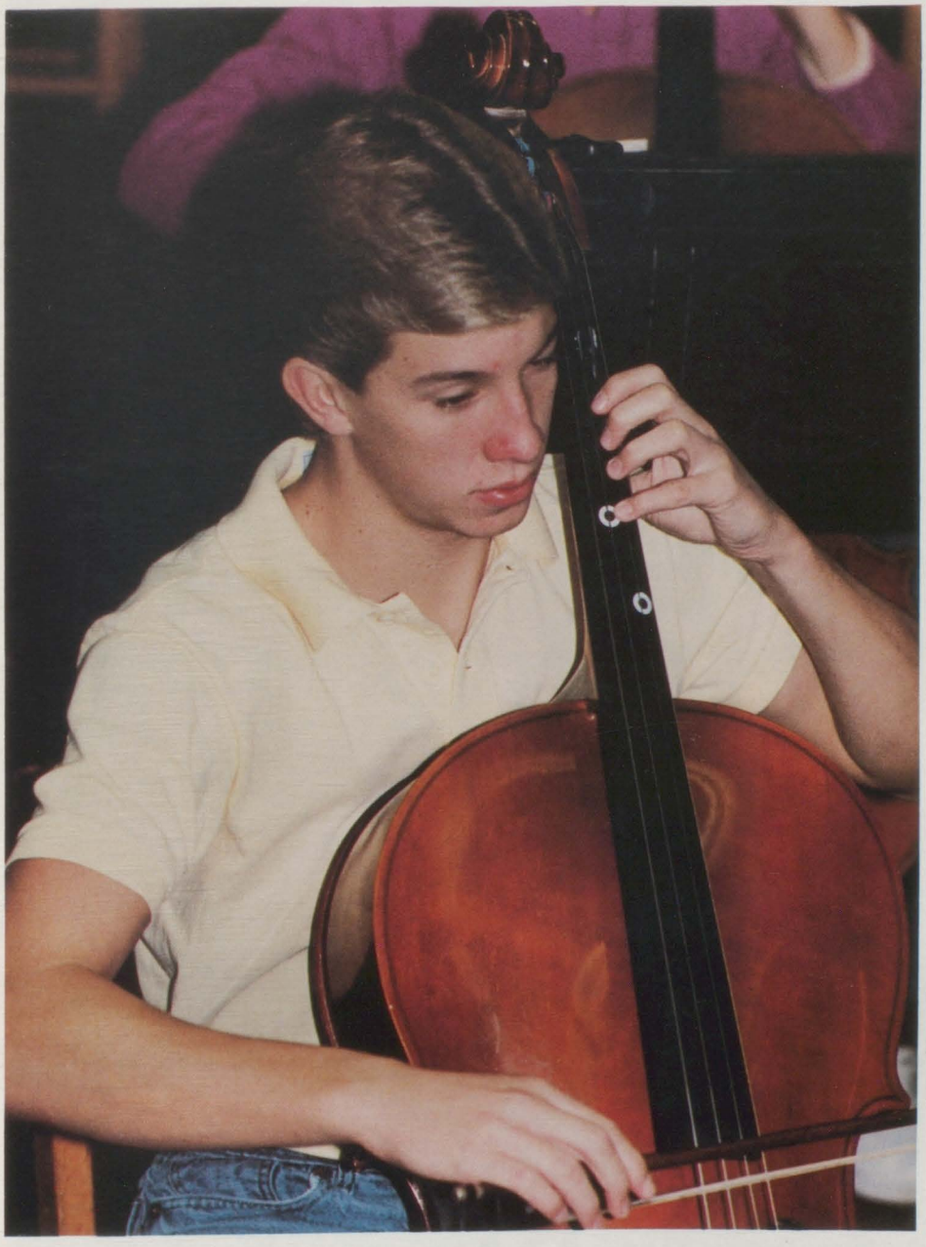


Keith Taylor, sophomore, steadies the board while his buddy makes the cut.

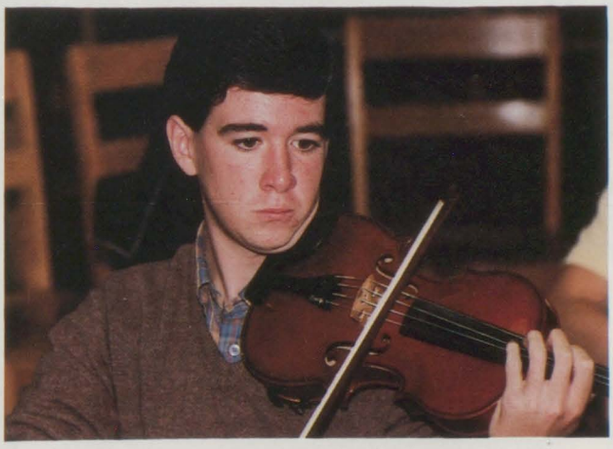
Drilling on a lathe in machine shop, Junior Matt Johnson starts his project.

Sparks fly as an MHS welder completes his project.

Junior Jim Thompson coaxes beautiful music from his cello in orchestra.



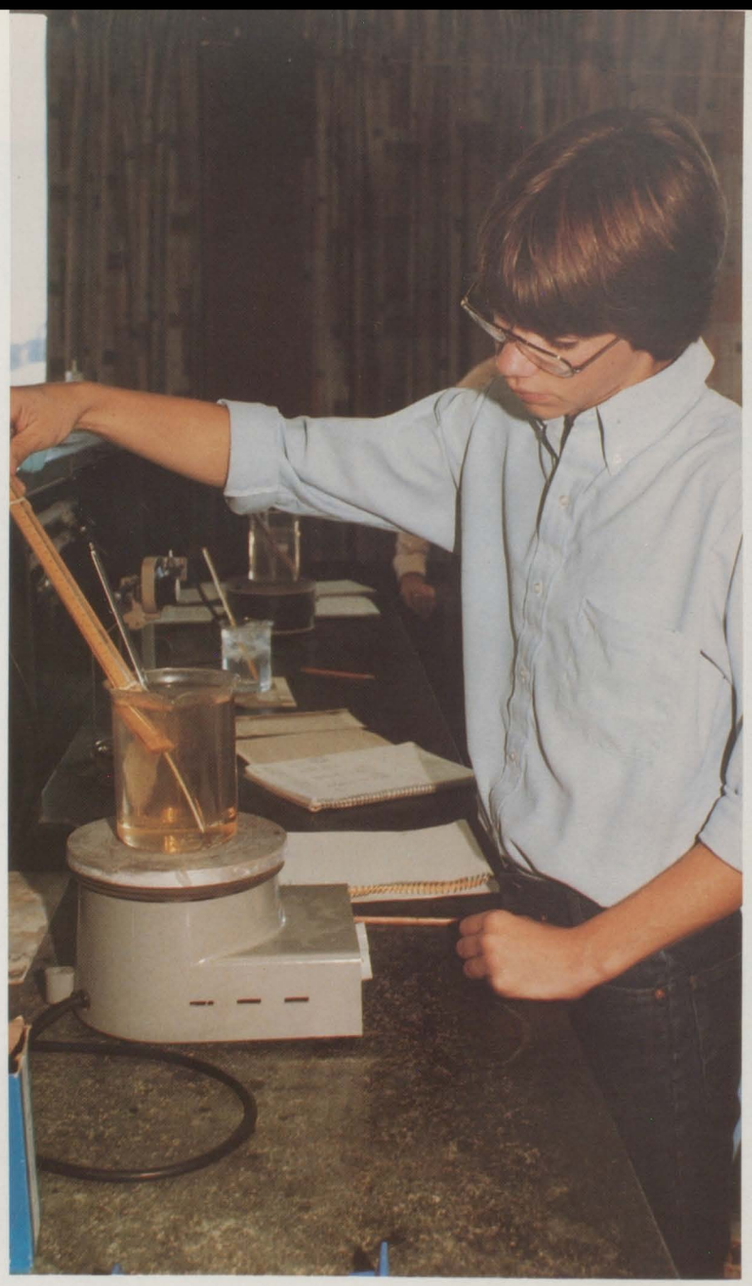
Steve Van Hyfte eyes his music while sawing his fiddle.



The boom of a bass drum signals the approach of the MHS marching band.

Janette Jeongco and her partner keep time with the music.

MAROON AND WHITE FIGHT!



Mr. Johnson gets his point across to his third period physics class.

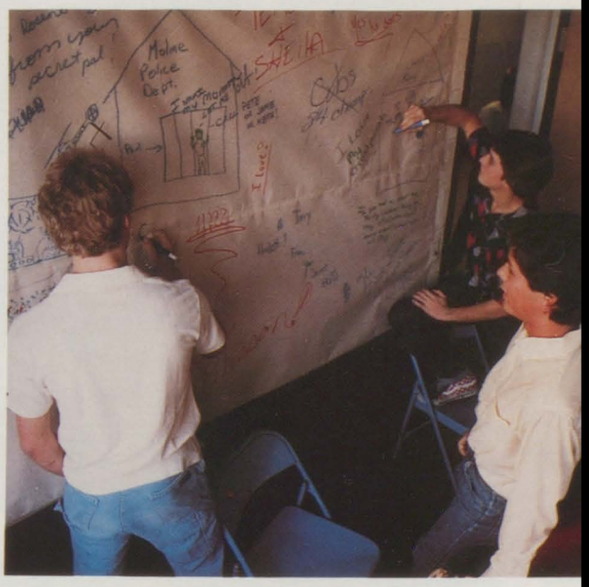
Senior Steve Retz gets aquainted with an Apple II in the Math Lab.

Seniors Don Normoyle, Brad Weber, Dan Skoglund and Dave Johnson put their cat under the knife in Mr. Gager's period 2 Biology II class.

Junior Doug Jordan checks the progress of his chemistry experiment.

Seniors Greg Nordstrom, Rick Solis, Brad Smith and Surit Sharma relax on the patio after lunch.

Jamie Banfield, Darren Cervantes, and Terry Christopher write on the "WALL" in the Student Center.



Freshman Rick Roedell's friends admire his punk hair at lunch.

Junior girls enjoy their lunch chatting on the patio.

FIRE UP, UP, UP!

An MHS swimmer warms up before practice.

An intramural football team hangs around after the game.

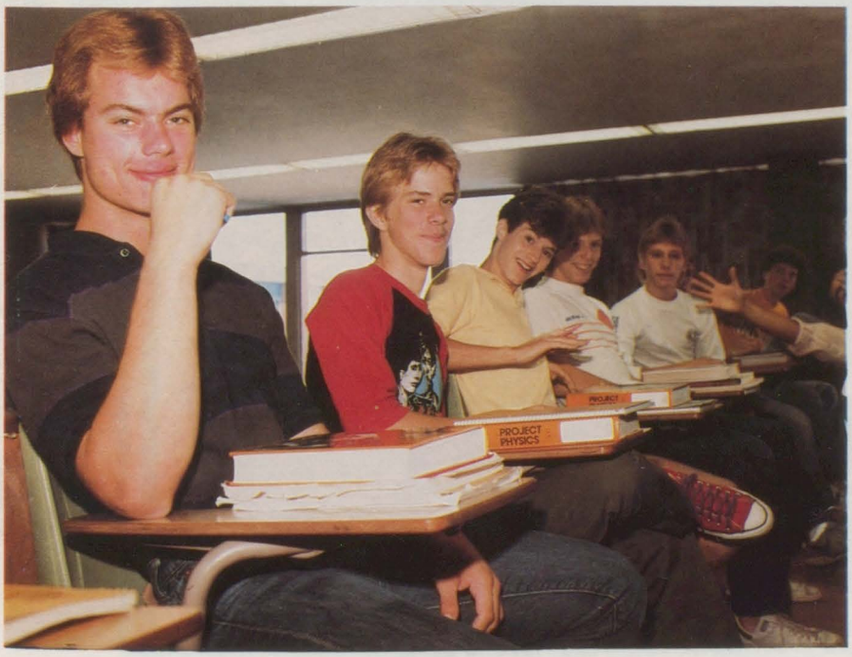
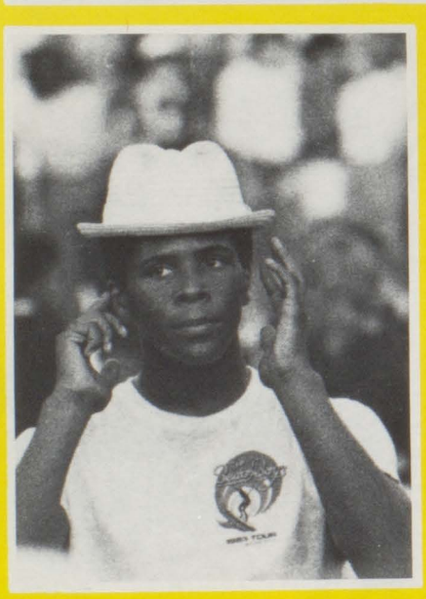
Brian Chancellor clamps his project into a vise in shop class.

An MHS football player cools off after a tough practice in the miserable heat of early fall.



Dan Skoglund, Mike Mudd, and Mike Klouda are easily entertained in physics class.

Debbie Curtis throws a pot in pottery class.



This year our annual bonfire was held on Sept. 8 before our first football game with Davenport Central. The bonfire, sponsored by the Senior Class, started off with the launching of three hot air balloons. Many spirit boosting activities followed, including the introduction of the football teams, the lighting of the bonfire, the burning of a dummy representing a Central Blue Devil, and the forming of an M by the seniors-while the school song was played. The MHS cheerleaders threw maroon and white footballs to the students who were seated on the hill in the bowl. Julie Rolloff, Senior Class president, said, "The bonfire was a big success this year. It really helped boost school spirit!"

The annual Hodown, also sponsored by the Senior Class, was held on Sept. 17 at Stevens Park in Moline. About 400 students attended the dance, and many added to its spirit by wearing western attire. Free popcorn and soft drinks were provided for everyone by the Senior Class. Mr. Gary Bushman, director of student activities, said, "Everyone had a lot of fun. The Hodown is always one of the most popular activities of the year."

"Even though it rained on our parade this year, we thought Homecoming '83 was a big success. All of our hard work really paid off," commented Maribel Guzman, member of the 1983 Homecoming committee. Many students got involved in activities (see page 12) during Homecoming week, especially floatbuilding, which attracted many hardworking students each night. Homecoming week was climaxed by the coronation ceremony, during which Tor Menke and Julie Rolloff were crowned King and Queen, and also by the fact that we won our (wet) football game. The Homecoming dance "Never Before, Never Again" was a good way to end the week. Two bands, The Last Word and P.S., played at the dance, which was held at the Moline Holiday Inn in the Holidome.

"Warm Their Winter" was the theme for this years Share Joys. Share Joys, which was held December 13-15, had as its goal $4200.00, a goal which was easily met. Almost 90% of the money collected by Share Joys was gathered in the classrooms. Kelly Schwartz, co-chairman of Share Joys, said, "I loved being involved in Share Joys. Helping those little kids get winter coats really made me happy. We were really pleased with the high percentage of student participation! "On Dec. 17 staff members of the Line O Type, went to Sears to buy winter clothing for children whose names were provided by Christian Friendliness. Beth Wyatt, one of those who delivered the clothing to the children said, "It was so neat delivering the clothing to the kids-it really made me appreciate what I have."

Occasions at MHS are a very important part of student life. Students and faculty both strive to make them as successful as possible with a lot of enthusiastic participation.

MUPPETS MAKE MAROON MAGIC

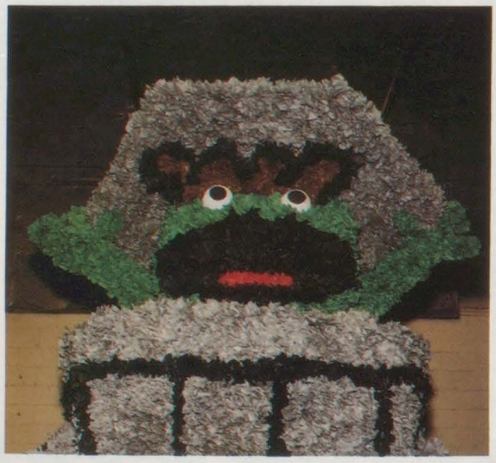
HOMECOMING '83

"Muppets Make Maroon Magic" was chosen as the theme for Homecoming 1983. Daily events for the week of October 17-22 were planned around the Muppets and Sesame Street. The schedule was as follows:

Monday	"It's Time To Get Things Started"
	Homecoming buttons sold
Tuesday	"A Visit to Sesame Street"
	Carnation tags sold
	Search for the letters of VICTORY
Wednesday	"Great Muppet Caper"
	Clues for the location of prizes given throughout the day
	Great Cookie Monster Cookie Sale
Thursday	"Rainbow Connection"
	Carnations delivered
Friday	"Movin' Right Along"
	Coronation assembly
	Football game
Saturday	"Never Before, Never Again"
	Homecoming dance at the Holidome

Queen Julie Rolloff and King Tor Menke proudly accept their newly bestowed honors.

The members of the 1983 Homecoming Court are: first row - Lindsey Potter, Mike Rohrbach, Trish Sadler, Mike Murphy, Jane Benson, and Beth Waite; second row - Dave Johnson, Brenda DeMunyk, Don Normoyle, Troy Lewis, and Julie Riddell; third row - Terry Hackett, Dana Ford, Dan Skoglund, Sally Wilson and Tom Couch. Seated in front are Princess Lisa Railsback and Prince Steve Ford.



Oscar the Grouch was glad to win Fourth Place as the Freshman class float.

LO'T and yearbook editors, Beth Wyatt, Mike Klouda and Ann Pierce, quickly flip to the last page of the coronation script to find out who won as King and Queen.

The Senior class float wins First Place. "Mais, of course!," says Miss Piggy.

Fozzie Bear, the Sophomore class float, bear-ies the Blue Devils while copping Third Place.

Muppet spectators sit in awe as they watch Kermit pedal to Second Place on the Junior class float, which also won Grand Prize in the Halloween Parade.

The Concert Choir eases the tension of Coronation by an entertaining song with the Muppets.

IT RAINED ON OUR PARADE

Key Club Members throw suckers to the crowd at the Homecoming game.

The rain filled more seats than the spectators did during the second half of the game.

Spectators at the rainy Homecoming game try to stay warm and dry.

SPIRITS FLY HIGH

The Bonfire for 1983 got the football season off to an enthusiastic start. To add a touch of novelty to this years bonfire, the cheerleaders threw maroon and white footballs to the crowd which were made by senior girls. Three balloons launched this years bonfire taking off as the festivities began. Trish Sadler and Ann Pierce won a drawing to ride in the balloon. A dummy of a Central football player was burned in the bonfire to symbolize the start of our great football season.

Ann Pierce and Trish Sadler take off for a hot air balloon ride.

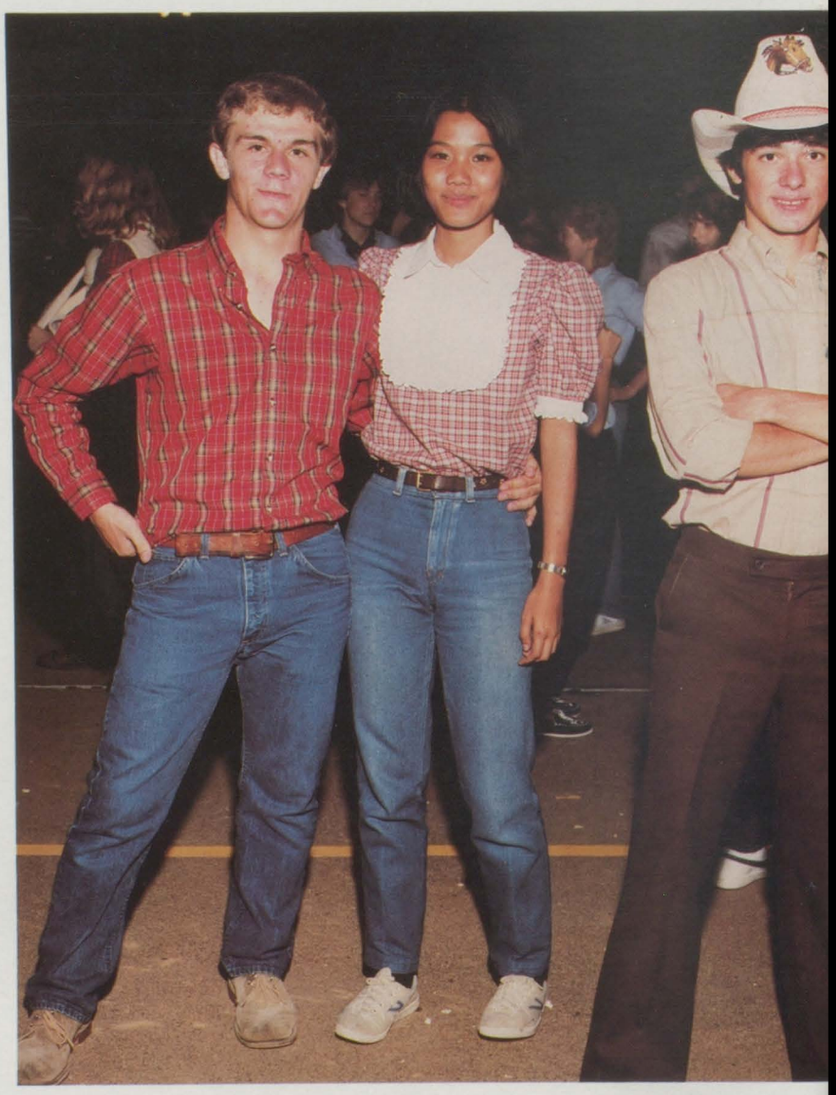
MHS students stand up to sing the school song.

As the evening draws to a close, a few diehard fans stay to watch the bonfire burn out.

The bonfire blazes brightly.

Even the traditional hoop couldn't endure the rain.

HODOWN HOOPLA



Our foreign exchange students, Derek Zartmann and Yvette Camacho, add international flair to the country dance.

Seniors Michelle Leftwich and Beth Linney hand out refreshments. Popcorn and drinks were provided by the senior class for no charge.

Mr. Daryl Gartner calls 'em as he sees 'em.

"Howdy, y'all!"

This year's Hodown, sponsored by the Senior class, was just as crowded and active as ever. It was held on the netless tennis courts at Stevens Park on Saturday, September 17, from 7:00 to 10:00 P.M. Bringing nearly 600 MHS students together for the first big social event of the year, the usual western theme was adhered to. Even though 600 students were there, only 450 were brave enough to exhibit their square dancing technique. It was mostly square dances, called by Mr. Daryl Gartner, with his wife demonstrating the various steps; yet there were other types of dances, consisting mainly of the Hustle, the Bunny Hop, and the Twist. MHS parents chaperoned the event, along with Mr. Bushman, Mr. Boom, and Mr. Johnson. Everybody enjoyed an exciting evening, so "Y'all come back next year, ya hear?"

Dancers have a great time doing the bunny hop!

Marianna Bravo loves doing the Bird dance at the Hodown.

Seniors Trish Sadler and Ashley Moore dance the night away.

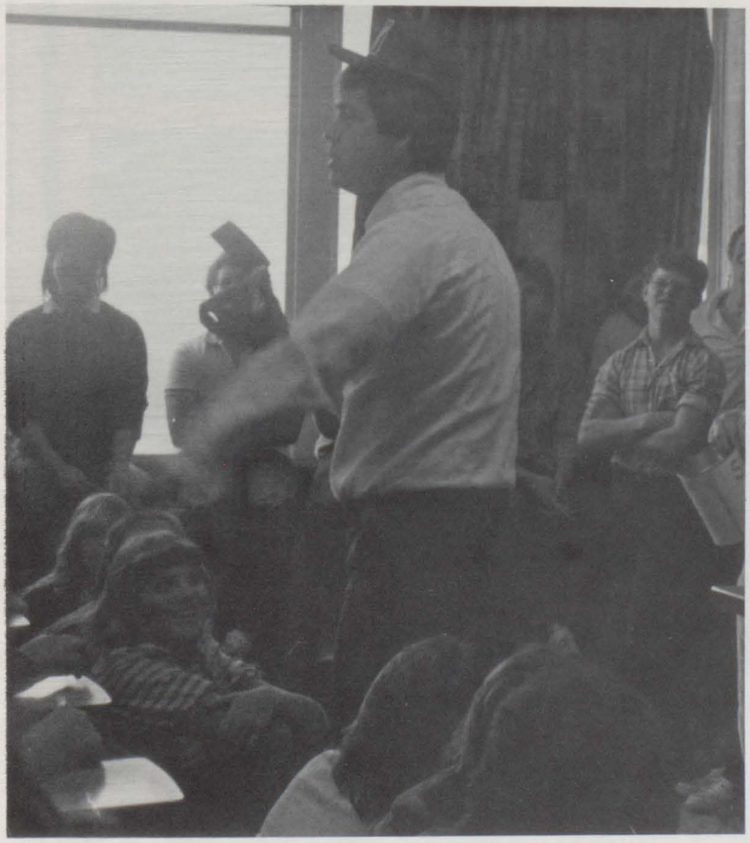
WE WARMED THEIR WINTER

Displaying her new friend, Senior Gail Dembosky gives a heart-warming Share Joys smile.

Share joys is a longstanding tradition at Moline High School, going back to 1950. The money collected each year is used to buy clothes, such as shoes, coats, shirts, pants, etc, for certain needy children in the area. Each year the goal is arrived at by multiplying the student population by 1.5. This year the schools student body raised the tremendous amount of $9800 during the three days of Share Joys in December, in the form of sales, cakewalks, auctions, and even a variety show put on by the National Honor Society. $9800 is the largest amount ever collected for Share Joys by this school. This made it possible for the Line O' Type Staff to buy toys in addition to the clothes that are annually bought with the money. The Christmas spirit of the student is brought out at this time of year and is evident in the enthusiasm with which they pursue the fund drive. As the following pictures show, the students and the faculty had a lot of fun raising the money, also.

Mr. Gager's annual Christmas pictorial flows down the chalkboard.

$9800 OF JOY



The proven method of the donation box was chosen by Student Congress members Dave Johnson, Lisa Railsback, and Mike Murphy to collect Share Joys money.

Once again Mr. Fentem fires up the Science Auction buyers, making it hard to resist the items for sale.

Seniors Steve Mc Atee and Julie Ridell buy succulent crepes in french class during Share Joys.

ILLINI

As we look back on our three years at MHS, we see that we have met most of our goals or at least attempted them. Maybe we didn't achieve what we set out to accomplish but we have grown both individually and as a class.

When we began our journey as Sophomores a maze of endless halls, new faces, and unlimited opportunities surrounded us. We tried our hardest to become a part of the MHS lifestyle, to prove ourselves. Everything was new and exciting. Frustration with self-scheduling, eating the cafeteria food, having our lockers jam, getting lost, and being called "Sophomore" over and over again were all a part of life at MHS.

The year began with our first "Bonfire" and was followed closely by our first heel-clicking "Ho Down". We were really enjoying the activities, laughter, and fun. It was "Our School". Our first Homecoming was undoubtedly "The Greatest Show on Earth!" Together we "choo-chooed" our way to a prize winning float. "The Dance" (our first big date) and "The Game" made a perfect weekend.

For most of us the highlight of our Sophomore year was getting our "Drivers License". We now had our chance to cruise the avenue and jam a dozen kids into our cars for an evening of fun. Before we knew it the year was over and we were no longer the rookies — we were experienced!

Being the juniors at MHS was a new challenge. Our athletes had their champs on the varsity teams and it was time for us to begin seriously thinking about our future. We took the ACT and SAT tests and spent countless hours cramming for finals. We built "Yosemite Sam" for our Homecoming float which was a "sure-shot" for first place. The climax of our junior year was the Prom. It led us "One Step Closer" to our destination.

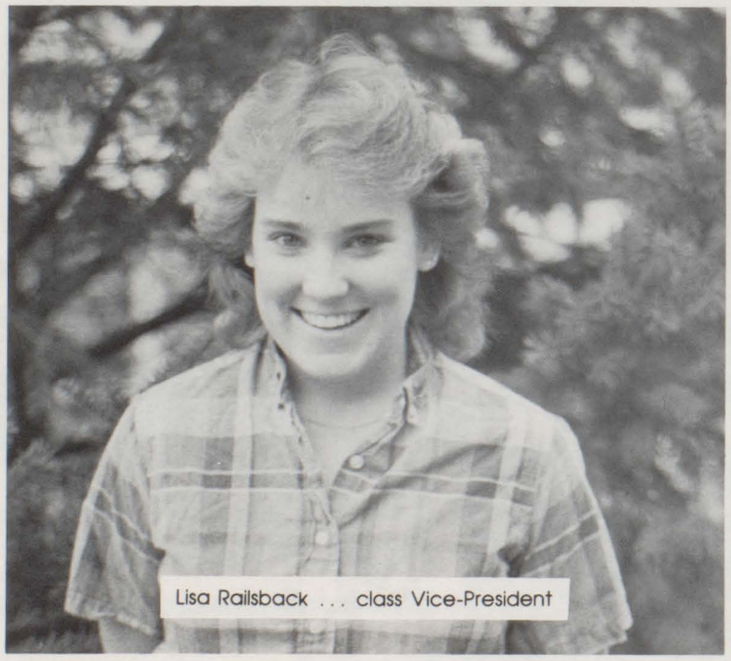
We're here at last — Seniors! College, marriage, or jobs are just around the corner. Caps and gowns, announcements, senior pictures, senior prom, spring break '84, senior skip day, and finally Graduation! Can it end so soon? We cherish every memory and look to the future with uncertianty — what will it hold for us? Who are we and where will we be going? The memories of our years at MHS will live forever as each of us begin the "rest of our lives". Hold onto your dreams and reach for the stars, class of '84. The world is ours!

. . . WITH SENIORS

1983-1984 SENIOR CLASS OFFICERS

Julie Rolloff . . . class President

"I hope the friendships that we've made these last three years and the memories of the class of '84 will last forever. To me, these have been the greatest times of my life. I wish all of you the best of luck and much success in the future. Keep the spirit of MHS and the class of '84 alive and in your hearts forever!"



Lisa Railsback . . . class Vice-President

"Well fellow classmates, it looks like it's finally over! I know there's been thousands of times when I've found myself saying, "I just can't wait until graduation," but now it's here and we all **have** to leave. No more bonfires, games, or dances. Before we go our separate ways, I'd like to say . . . it's been great!"

Diane Scott . . . class Secretary/Treasurer

"Each member of the class of '84 will remember different events from our three years at MHS, but the pride we have in our class is shared by all of us. Remember the friendships and the good times, for we've "grown-up" during these three years together. Keep the memories of the homecomings, share joys, and proms alive forever. I wish all the seniors happiness and success in the years ahead and always remember the times of your life at MHS!"

The Junior Class is very supportive, with a lot of students involved and a lot of good times.

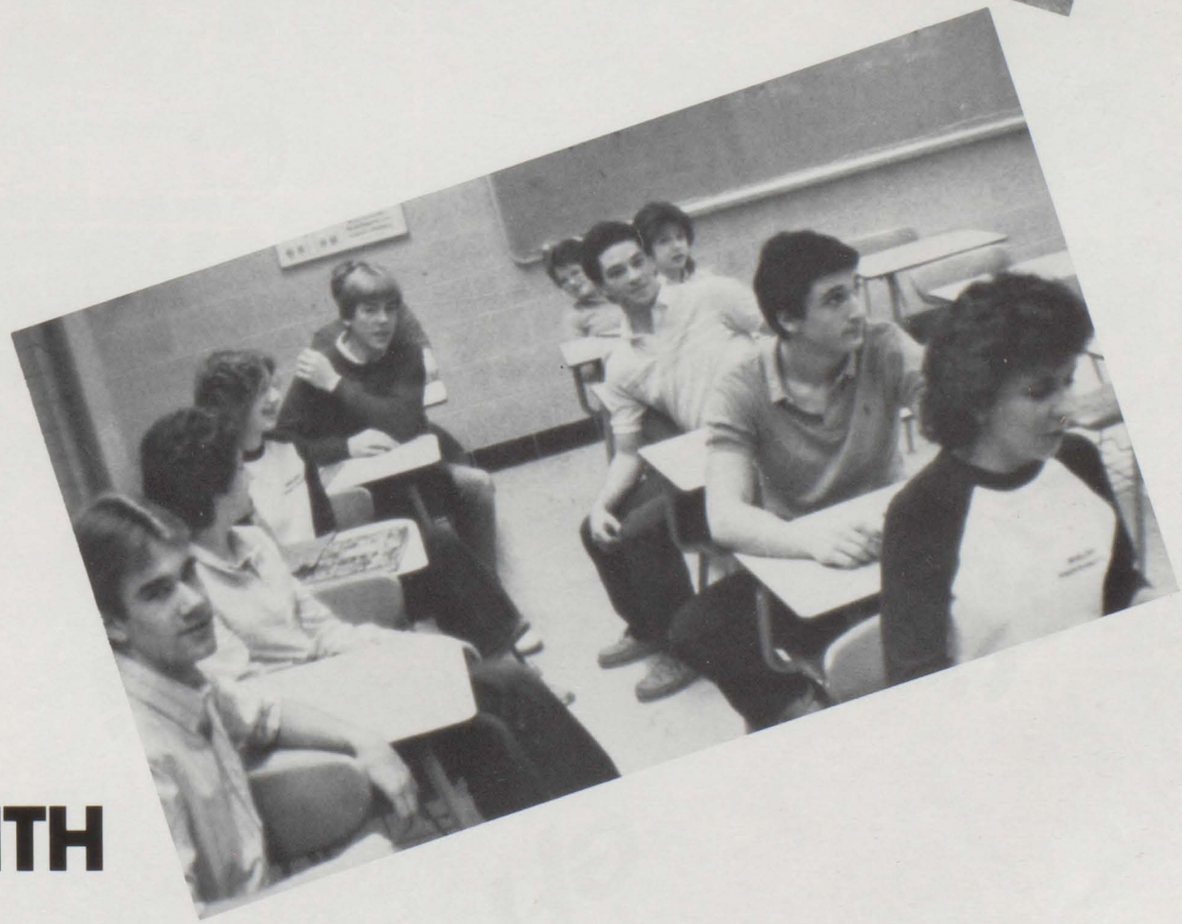
Our class had a lot of successful activities this year one of which was the Class Float. Everyone worked together very hard to build the Kermit the Frog float. It took second place in the Homecoming parade and first place in the Halloween parade.

The Junior Class sponsored an all-school dance with a Hawaiian theme. KIIK104 played music and everyone dressed with the Hawaiian theme. There was a great turn out and everyone had a terrific time dancing and socializing.

The Junior Prom was also a huge success. Everyone that attended had a wonderful time and it will be a night long remembered.

Our advisors helped us in every way. Without them our class would not be what it is now. The Class of '85 would like to thank Miss McCarter, Mr. Gager, Mrs. Nusbaum, and Mr. Taber for all their support. We would also like to thank Mr. Bushman for all of his help. We appreciate all you've done.

With only one year left at Moline High School, we have two years of fun to look back on and our best times to look forward to.



. . . WITH JUNIORS

HERE'S TO YA '85!

I think our Junior class is one of the best. We have alot of fun in planning our activities and we work very well together. This year was really great and I am looking forward to our Senior year. Thanks to who ever has helped our class to be so successful. A special thanks to all of our advisors.

Kelly Schwartz
Class President

When I look back on the year as a whole, I can't help remembering all the good times we've shared as juniors. The class of '85 made this an outstanding year and I can't wait to see what's in store for us as Seniors!

Jean Schmitt
Class Vice President

Hats off to one class of '85! Our class has spent two excellent years together! No matter what we're doing, building floats or sponsoring dances, we always pull together and make it a success! Next year as seniors I'm sure we'll have a great year and alot of fun!

This year's sophomore class has done a great job of adjusting to high school life. We showed our spirit by building a terrific Homecoming float. It took many long hours of construction and pomping to get "Fozzie" built, but all of our hard work paid off when we beat the freshmen in the float competition and, more importantly, because building the float really united our class into the "Class of '86" rather than the kids from Wilson, John Deere, and Coolidge. This year's fund raiser was a huge success. Selling jewelry earned us enough money to pay for our Homecoming float and left us with some additional money for other activities.

Our sophomore year has been a challenging and exciting one for all of us. Self-scheduling for the first time, trying to remember new locker combinations, getting to know the new people in our classes, and trying to find our way around MHS were problems for almost all of us during the first few days of school. Going to the football and basketball games as MHS students and participating, for the first time, in Homecoming and Share Joys was very exciting.

In the next two years our class will be better than ever. We've already shown our spirit so lookout MHS, here comes the "Class of '86"

The best word to describe the very first Freshmen Class at Moline High School is "enthusiastic". Many teachers, staff members, and other students have commented on the added enthusiasm from this year's Freshmen Class. The Freshmen have adjusted well to the High School environment. From the very first they were told they would be included in everything and they were. The Ho-Down, Hm-omecoming Floats, Homecoming Dance, Share Joys, Turn-Around Dance, Special Event Week, and other activities were all open to them this year.

Of course, everyting they did this year was the best-ever done by a Freshmen Class since they were the first and only one so far. They were very proud of their Homecoming float. Those who worked on it had lots of fun. It was easy to meet new friends and break down the barriers from the different Junior Highs while working at float-building.

Their first fund-raiser, selling first-aid kits, was very successful. They paid for their Homecoming Float construction and had enough extra money to help with other activities with money left over to begin next year. Hopefully, many more members of the class will help with future fund-raisers so that they can sponsor more class activities.

The pride of their class really showed during Share Joys. They won the class competition by a landslide. Also, Many of the predominately freshmen classes contributed greatly to the total money raised. Everyone knows that with their help, as well as the help of everyone else, this year the largest amount of money ever was collected.

Freshmen class advisors, Mr. Vrstal, Mr. Woods, Mrs. Rollinger, and Mrs. Weaver have helped them greatly. Students were very thankful for their time, effort, and leadership. They hope they will all continue as their advisors for three more years.

the Freshmen sports teams have been very successful this year. In several sports, Freshmen competed along with those from the other classes and some even made the varsity teams. In some sports they have even had enough team members to have more than one Freshmen team. As with all activities, time and facilities have been made available to Freshmen so that they were able to participate equally.

They also had their own Freshmen cheerleading squads who did an excellent job throughout the year. Freshmen were also active in the large intramural program at NHS this year.

The upper classmen accepted them and helped them, especially the Sophomores. It was great to be able to start here at the High School with friendly students from the sophomore class. They too had to learn the rules, where rooms were located, and how to adjust to new teachers, new schedules, and new activities. It was helpful to know that over one-half of the students were new to the school—not just the Freshmen.

The Class of '87 had a terrific beginning. They hope to continue to be a major influence while at Moline High School. With the help of each class member, they will not only be the **best** Freshmen Class but also the **best** Sophomore Class, the **best** Junior Class, and the **best** Senior Class ever!

Clubs and Organizations are important to all MHS students. All clubs and organizations at MHS have a staff adviser and most elect officers. Although some MHS clubs and organizations are more active than others, many participate in school activities such as Homecoming and Share Joys. This year clubs and organizations entered floats in the Homecoming Parade and almost all donated money to Share Joys. Candy sales, flower deliveries, Maroon-A-Grams, and Balloon-A-Grams are only a few of the many fund raisers our clubs and organizations sponsor. Some of the clubs and organizations offered at MHS this year were:

- Band
- Choir
- Contemporaires
- Contest Play
- Debate
- Electronics Club
- Forensics
- French Club
- Future Business Leaders of America
- German Club
- Health Occupations
- HERO
- Kaleidoscript

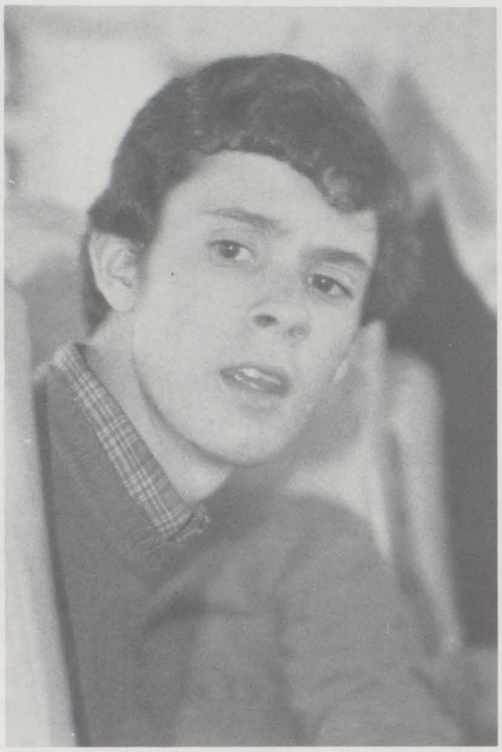
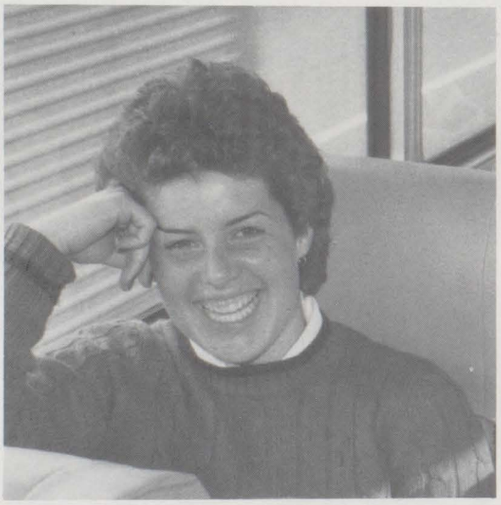
LINE O' TYPE KEEPS UP WITH THE TIMES

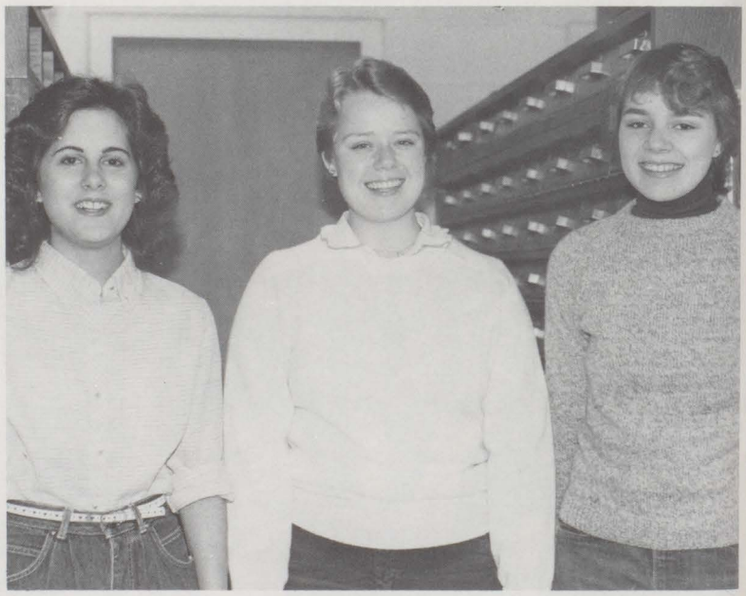
Kurt, don't look so shocked.



Lisa Railsback, Brenda Gibson, Greg Kerr, and Kristen Cottrell have a last minute conference.



Above, Lori Black smiles for the camera.



Gina Cimarrusti, Brenda Miller and Beth Stolarick take a rest after counting out the newspapers for circulation.

Line O'Type editors, Terri Potts, Stephan Fiedler and Julie Riddell take a moment's break.

The Line O'Type staff puts out 16 newspaper issues each year. Every spring the advisor, Mrs. Juanita Timson, takes applications from any student who would like to be on the staff. The staff members are then assigned to certain sections. The Daily Dispatch lets Line O'Type use it's computers for getting the newspaper written and printed. Line O'Type also plays a major role in Share Joys. Line O'Type is given the money and then takes it and purchases all the items for the families. Staff members deliver the items to each family individually.

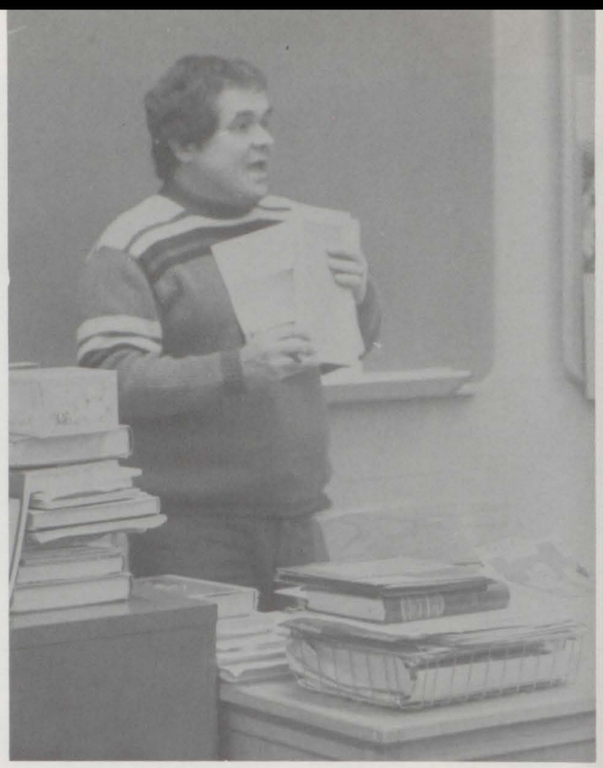
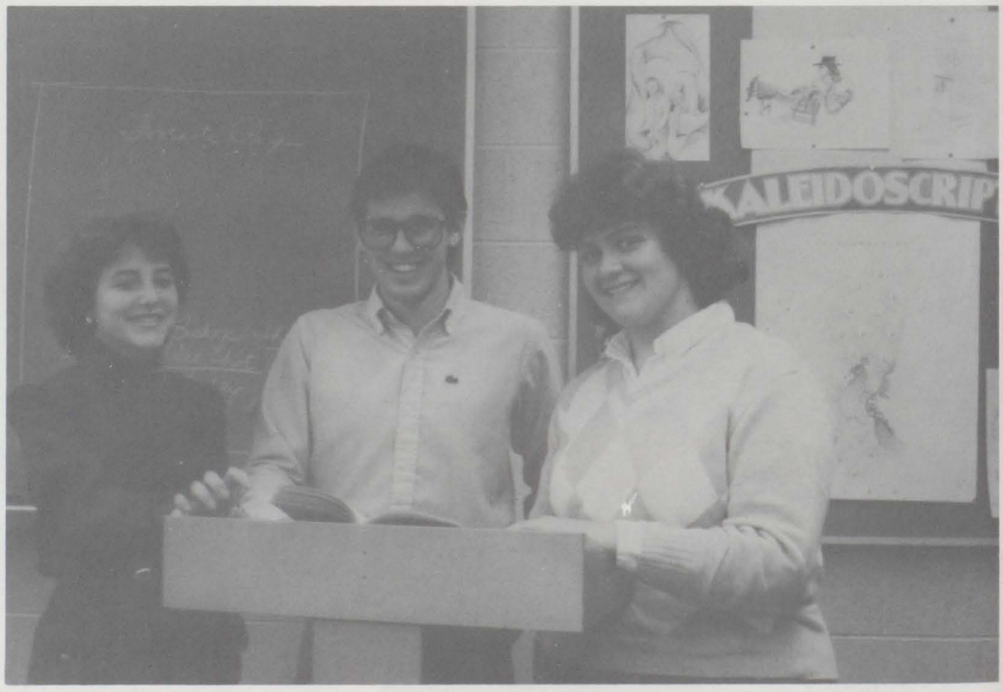
ON THE CREATIVE SIDE

Bruce Hampton thinks the Kaleidoscript is cool.



Mr. Collins explains Kaleidoscript candy sales at a staff meeting.

The editors of the Kaleidoscript are Desiree Grace, Del Madsen and Melissa Jordon.



The "Kaleidoscript" is Moline High's annual literary magazine. The 51 member staff is advised by Mr. David Collins. This year, 30 pages were added. They had many fund raising projects. Over $500 was raised selling candy bars. The "Kaleidoscript" sponsored an after game dance. All work on the "Kaleidoscript" is extracurricular, with two major deadlines; one in January, and the other in March. Joe Llaca, senior, thought his work on the "Kaleidoscript" was lots of fun. "Everyone had so much enthusiasm!"

Unlike other student organizations, Student Congress meets for one hour each day as a class. The Senior and Junior Congress members met from 8:00 to 9:00 this year, and the underclass members met from 9:00 to 10:00. Kristal Leftwich, Junior, didn't think that this split in the class had any adverse effect on Congress. She said, "Our secret pal program helped keep the two classes together. We all really enjoyed Congress this year-it was so fun to be a part of so many great activities!" One half of the Student Congress members are elected by their classmates and the other half are chosen randomly. Kelly Smith, Senior, remarked,"I like the way representatives are chosen. Since half of us were drawn, the Student Congress election was not so much of a popularity contest." Student Congress representatives, officers, and their advisor Gary Bushman are responsible for all major school activities. Homecoming, Share Joys, and Special Event Week are only some of Congress' responsibilities. Congress members also help during self-scheduling, serve as guides on parent visitation nights, and help with Special Olympics during the summer. Student Congress plays a very important role in student life at MHS.

Spirits is an organization that promotes best wishes to all sports and its teams. It also gives spirit to the play's musical and it makes everybody aware of the school activities that are going on for that day so it can get more school participation out of everybody. This year the chairperson is Sally Wilson. This club can be a daily project because you may have a few events happening the same day. It sometimes requires the girl's to come in early before school as well as stay later after school designing posters. Spirits also sponsors at home Basketball as well as Football games. Without spirits promoting spirit to our atmosphere and our moral. Many of our athletes as well as actors and musicians feel that Spirits make them feel like they have the school behind them.

The highlight of the year for MHS music students was the presentation of the Broadway musical, "Funny Girl". "Funny Girl" told the true life story of Ziegfield Follies star Fanny Brice and her rise to stardom. Combining the talents and skills of vocalists, instrumentalists, and dancers, the music department created a tremendously successful show.

The MHS Dramatic Department also had a terrific year, presenting three fine productions. The fall play, "The Remarkable Mr. Penneypacker", was a delightful comedy, directed by Miss Delores Beckmann. "Pennypacker" told the story of an extremely liberal gentleman of turn-of-the century Wilmington, Delaware. Mr. Pennypacker was so liberal and open minded that he believed it was quite alright for a man to have more than one wife — and so he did! Of course, neither family knew about the existence of the other ..... The play was a great success and it introduced several freshmen in their first MHS production.

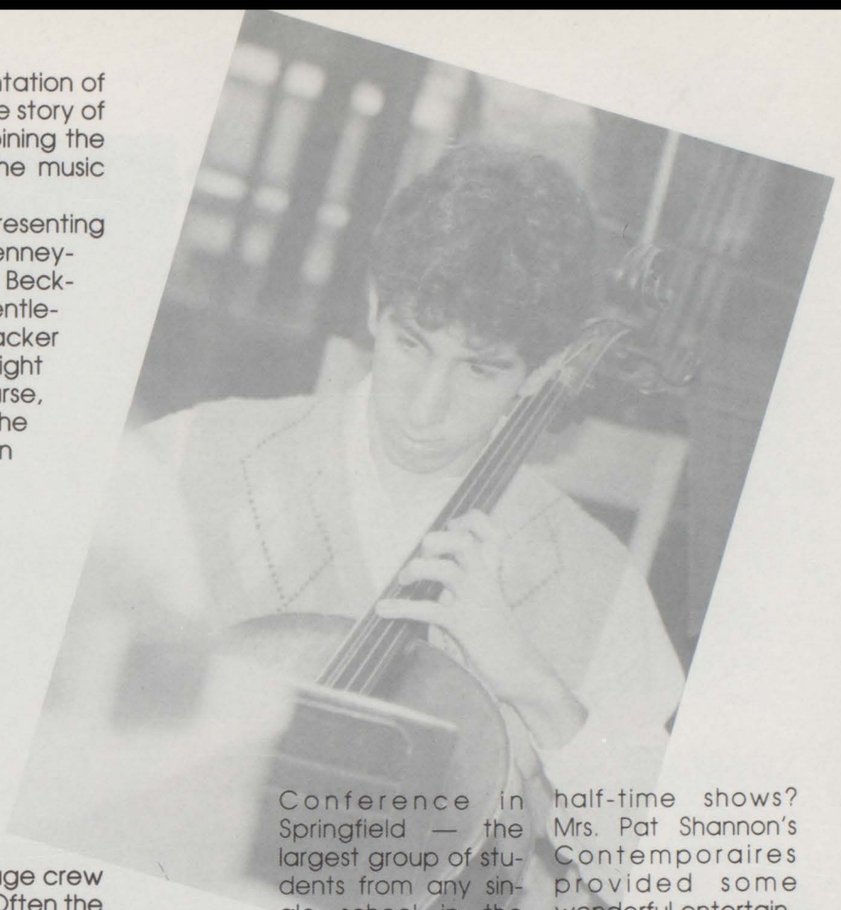
The winter show, "Rebel Without a Cause" was quite a departure from the comedy of "Penneypacker". Set in a fair-sized American city of the 1950's, "Rebel" told the story of Jim Stark, a troubled teenager who finds himelf caught up in the dangerous activities of a gang. "Rebel" was a very special production as it heralded Mrs. Sue Wignall as an MHS director.

In the spring, the drama department presented the horrifying play "The Bad Seed". Directed by Miss Beckman, "The Bad Seed" was the chilling story of a murderous little girl. The intense drama, which takes place in a suburb of a Southern city, was an extremely effective production and demonstrated the great talent and dedication of our student actors.

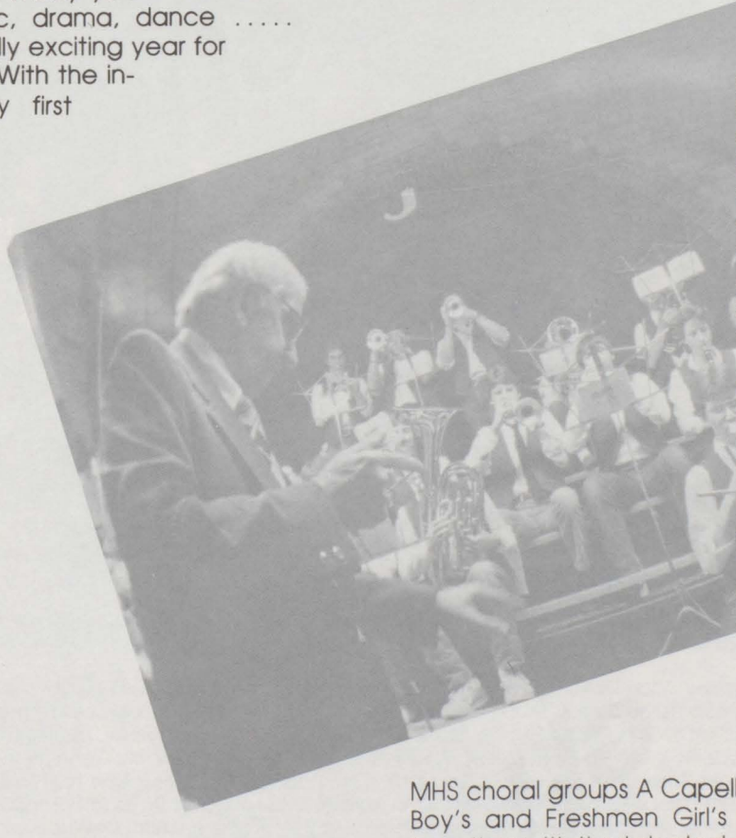
Without the fabulous sets and technical work done by the stage crew the dramatics productions would not have been as successful. Often the "techies" are forgotten backstage, but they deserve great praise for their efforts. Mr. Scott Anderson has overseen the crews activities and taught students how to operate stage equipment.

Everyone at Moline High School is very proud of the past years artistic achievements. Hopefully, this tradition of outstanding performances will continue for many years to come.

Ah, the fine arts! Music, drama, dance ..... 1983-84 was an especially exciting year for those activities at MHS. With the introduction of our very first freshman class, the number of performing student artists grew by leaps and bounds. The new underclassmen were quickly united with the returning juniors and seniors to create an outstanding season of artistic achievements.



In the past, the Moline High School Music Department has enjoyed a fine reputation for its programs and this year was no exception. In January, twenty-four student musicians from MHS were chosen to perform at the Illinois Music Educators Association's All-State Conference in Springfield — the largest group of students from any single school in the state. Three of the All-Staters were band members, five were from the orchestra, and sixteen were members of the Concert Choir.



During the football season the Marching Maroons, under the direction of Mr. Louis Dilulio, did their best to cheer our team on to victory. Their fantastic half-time shows were over shadowed only by the outrageous cheers they often yelled from the stands — cheerleaders, watch out! The pep band provided pre-game and half-time music at our home basketball games ..... But who could forget those dancing feet and bright smiles that accompanied all of those great half-time shows? Mrs. Pat Shannon's Contemporaires provided some wonderful entertainment during both the football and basketball seasons. The Contemporaires and yet another musical ensemble, the jazz band joined forces with the Concert Choir to present "One Night of Melody", an evening of pop and jazz songs and dances.

The MHS Concert Choir, under the direction of Mr. Calvin Hedegaard, has a reputation as one of the finest high school choirs in the nation. This year, the choir had the rare opportunity to act as a demonstration choir at a workshop conducted by Mr. Paul Salamonwich, a world-renowned choral conductor. The choir performed in several concerts throughout the year, along with the other MHS choral groups A Capella Choir, Treble Choir, and the new Freshmen Boy's and Freshmen Girl's Choruses. The Concert Choir also worked together with the talented orchestra, directed by Mr. Merle Wegener, to present an extended work.

Included in the choir's schedule for this year were the Fall, Christmas, and Spring Concerts, and the pop-variety show "One Night of Melody." Concert choir also sang at the Homecoming Coronation, Baccalaureate Service, and Commencement. This year's choir hosted the Illinois State University Concert Choir and performed for various civic groups in the area.

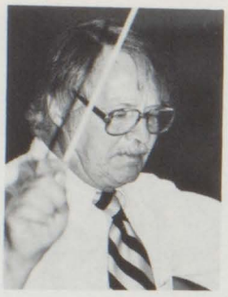
ORCHESTRA



Moline High School's orchestra meets first period each day under the direction of Mr. Merle Wegener. Besides being a learning experience, class rehearses the students for the concerts given each year and the IMEA contests and festivals held throughout the state.

This years orchestra was the first to combine incoming freshmen with older instrumentalists. Concertmistress Karen Cassidy says that the younger players add needed size to the ensemble, while one freshmen says that being given a chance to hear and work with people who have some experience brings out a stronger sound than could be obtained in junior high.

Memebers of the orchestra perform in concerts, participate in the jazz band and provided pit for this year's musical, "Funny Girl." A performance highlight of this years concert is junior Dan Allcott playing Boccherini's cello concerto in B flat.

FUNNY GIRL

The musical "Funny Girl" was presented on the MHS stage, this year, for the first time ever.

"Funny Girl", based on the true story of Fanny Brice, is really a story about the meeting of two worlds. Fanny, who had little schooling, is a hard working, ambitious and very talented actress and singer. Nick Arnstein, the man she loved, was a gambler and opportunist, despite his advantages of education.

Fanny becomes famous as a Ziegfield star and marries Nick. Nick eventually loses all their money invested in gambling casinos and is sent to jail on charges of embezzlement. When Nick returns after serving his prison sentence, he and Fanny come to the realization that, though they still love each other, their marriage can never be a happy one. After they reluctantly part, Fanny resolves to pick up her life again.

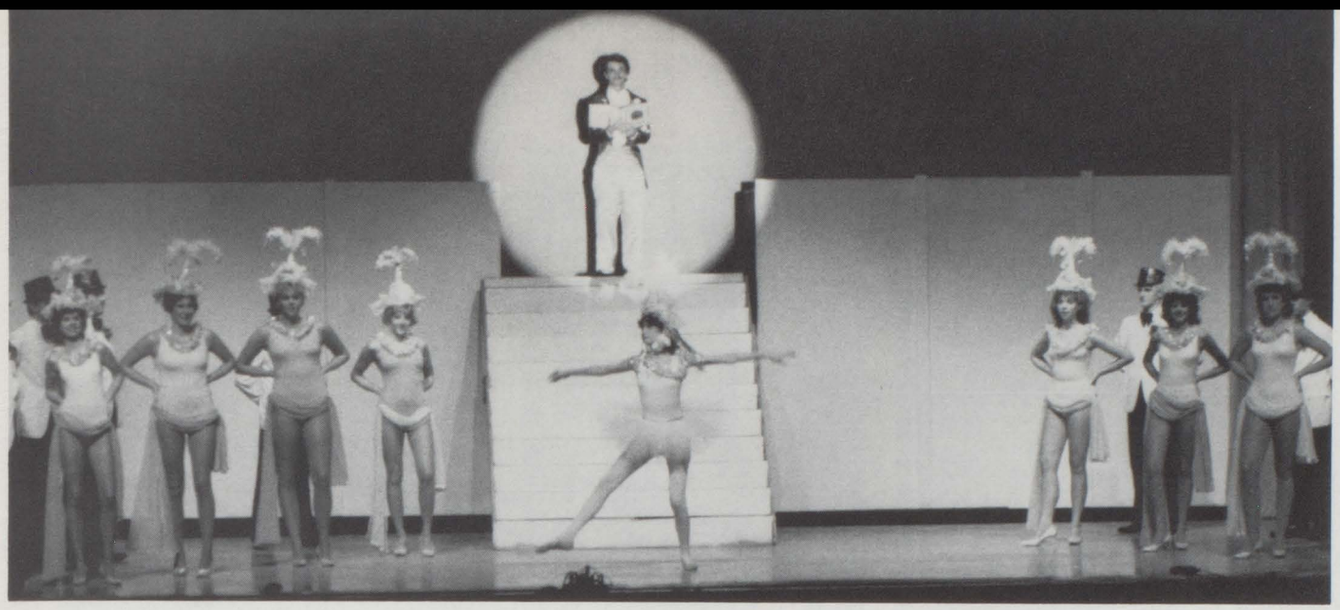
The girls chum around as Mrs. Brice gathers up her poker winnings.

"Who taught her everything she knows?" Rosie Brice and Eddie Ryan, thats who.

A beautiful pregnant bride? Fanny surprises everyone when she appears in the follies as a pregnant bride.

Fanny gets support from her friends on Henry Street.

The musical dancers show their talent on stage.



The Ziegfeld Follies proves to be a spectacular event.

I know it was pretty shocking news but aren't you overeacting a little?

"The Remarkable Mr. Pennypacker" was the name of the MHS fall play last year. The play featured a man, Pa Pennypacker, with strange philosophies. He has two families, one in Wilmington, Delaware and one in Philadelphia. Neither family knows about the other until Horace III from Philadelphia comes to see his father in Delaware. When the one family learns of the other, chaos breaks loose.

To make matters worse, Kate Pennypacker and Wilbur are to be married but Wilbur's father refuses to allow the wedding to take place when he finds out Kate's father has two families.

My son wants to marry **his** daughter? Mr. Pennypacker gets carried away while talking to Dr. Fifield.

Wilbur proposes to his favorite girl.

REBEL WITHOUT A CAUSE

The winter play, Rebel Without a Cause, directed by Sue Wignall, was a rousing success. The production was unique because the stage had no real scenery, only three different levels of risers to differentiate the separate scenes.

The play revolved around Jim Stark, basically a good kid, but not quite sure of where his life was going. This was due mainly to the fact that his parents fought a lot, and didn't provide any real parental guidance. As a result, he frequently wound up in serious trouble. Also adding to his problems was his mother's tendency to move whenever he got into trouble. When the play opens, Jim's family had just settled into their new home.

Jim immediately starts off on the wrong foot by antagonizing one of the school "wheel's" girlfriend and getting into a knife fight. The "wheel," Buzz Gunderson, then challenges him to a chicken run. A chicken run, Jim learns, involves driving two cars towards a cliff at a high rate of speed, and then jumping at the last moment. Jim gets out, but Buzz doesn't make it.

The remainder of the play centers around Buzz's friends looking for Jim, while Jim's psycho friend, Plato, trys to warn him. At this time, though, Jim falls in love with Buzz's girl, Judy, and she falls in love with him. Plato eventually snaps, and shoots one of the gang members. Jim traces him to a planetarium and succeeds in calming him down. Yet Plato unexpectedly bursts from the planetarium, only to be immediately shot by a cop at the scene. In all, 38 students worked together, providing a memorable performance for one of the largest crowds to ever watch an MHS play.

Buzz sure seems a lot more interested in Judy than the stars!

The cast gets together before going out on stage.

Yes Plato, you are next so don't look at me like that.

STAGE CREW

Sets for play productions do not spring magically from the brain of the playwright or director; SOMEONE, surprisingly enough, has to BUILD them. At Moline High School that someone is the stage crew, led this year by the able Mr. Scott Anderson, theater student from St. Ambrose. Week after week, these people spend hours after school and on Saturdays building platforms, striking flats, drilling holes, pounding nails, getting sawdust in their hair, and laying light and sound cables in preparation for the upcoming play or musical. During the actual production they operate the lights, sound, and curtain and make all scene changes, and during the intermissions run around with flashlights, muttering nervously. Their fears, however, always prove groundless, as each production runs smoothy to its conclusion, when that set must be taken down to make room for the next.

Jenny Hanson and Mr. Scott Anderson watch while a fellow stage crew member works.

Mary Brodd still can't fine that part.

Stage Crew members not only have to learn to build a set but also to tear it down.

The Moline High School Comtemporaires proudly strutted their stuff in four football and five basketball games this year. They danced to everything from "Mississippi Mud" to "Celebration". They also participated in "One Night of Melody" this spring in cooperation with the Jazz Band and Concert Choir.

Mrs. Pat Shannon said of her students, "To have successful performances the girls have to give 100% every day during class. Fortunately, I have had the pleasure to work with the type of girls who enjoy working toward perfection." The girls met as a class fourth hour every day. They had lots of fun but worked long and hard and their end product was a half-time show that was enjoyed by all!

Neither rain nor snow nor cold weather can stop the Contemporaires from practicing. Torie Maere and Kari McLean are beaming Contemporaires.

After being dropped last year because of the budget, intramurals resumed this year and were a huge success.

The students were enthusiastic about the return of intramural athletics and 18% of the student body was involved.

Kelly Schwartz said of the program, "It's a good way to get a lot of people involved in athletics. It's also a great opportunity to meet a lot of people and have a lot of fun!"

There were four sports including football, volleyball, basketball, and softball. All of the teams were co-ed except for basketball which had separate boys and girls teams. On the average there were 4 or 5 games, then they were ranked by number of wins. Brackets were drawn up and a champion was decided by single elimination.

Magdalen Exbaum, D. Aitken, and Bill Lee ran intramurals and all felt it was a great success

Bill Lee commented, "It's a great way to participate and have fun without the pressure to win. Everyone just relaxes and has a good time. I think it's the most worth while program in the school.

Moline overcame the odds this year and shared Western Big 6 honors with Galesburg. Mark Engle and Jessie Jones led the conferences toughest defense and were named to the All-Conference Team along with Steve Vanderlinden. Engle was also named Pacesetter and Prep of the Week during the season. Tor Menke was unfortunately sidelined by a pre-season injury and was named Honorary Co-Captain of the All-Conference team.

Ron Martinez goes for a steal, while his teamates help defend.

The 1984 Basketball season ended on a strong note, with the Maroons winning their final game against Sterling to finish above .500, 12-11. Things look real bright for us next year, for junior Ron Martinez established himself as a potent weapon, leading the team in scoring and assists. Juniors Davin Barnes and Bob Michna both provided a late season surge, and proved to be valuable assets. Another highlight was the pounding we gave Quincy here at the first meeting of the season. Senior Dave Scott led the team in rebounds, while Dan Smaha copped top free-throw honors, shooting 75%.

The Sophomore squad, led by Coach Derouin, finished at exactly .500, 10-10. Their season was not without excitement, though. For against Rock Island they dropped a 2-OT thriller, 54-59, while earlier against Princeton, they were edged out in a 3-OT marathon, 65-68. They did squeak by Bettendorf though in a 1-OT finish, 58-56. Leading scorer and offensive rebounder was Tim Hedman, while Todd Vershaw led the team in assists. Center Scott Swayne led in defensive rebounds.

GIRLS CROSS COUNTRY

The Girls Cross Country team was very successful this year. In its second year, the team consisted of 10 girls. The team bettered its former rank of 15th in state by capturing 14th this year. Britta Sparrow lead the team with 45th place. All of the races that the team competed in were from 2 to 2.5 miles long. The preparation for these lengthy races was, to say the least, demanding. Britta Sparrow, Senior said, "The practices were so long and strenuous that they absolutely exhausted us-but we are all really happy that we did work so hard because we made our two goals of having a good season and going to state!" Leanne Larson, another top runner, said, "I think our morning workouts were the hardest. Being out running at 6:00 in the morning was doubly hard when we thought of everyone else sleeping in their nice warm beds." The girls usually ran 8 to 12 mile workouts after school each day and ran 6 miles each morning before school. The team members all thanked Mr. Shipley for their great performances at state and in meets. Kristy Dwyer said, "Mr. Shipley is one of the neatest coaches! He made us work really hard but in such a way that we didn't know how hard we were running until the workout was over."

Although some of the new teachers preferred their former junior high school positions, most of them are happy at MHS. Although the new teachers who enjoy teaching at MHS have had their "ups and downs" they are still glad to be here. During the first weeks of school, many of them had almost as much trouble finding their way around as the new freshmen and sophomores! Fortunately, like the students, the new teachers have adjusted well to life at MHS.

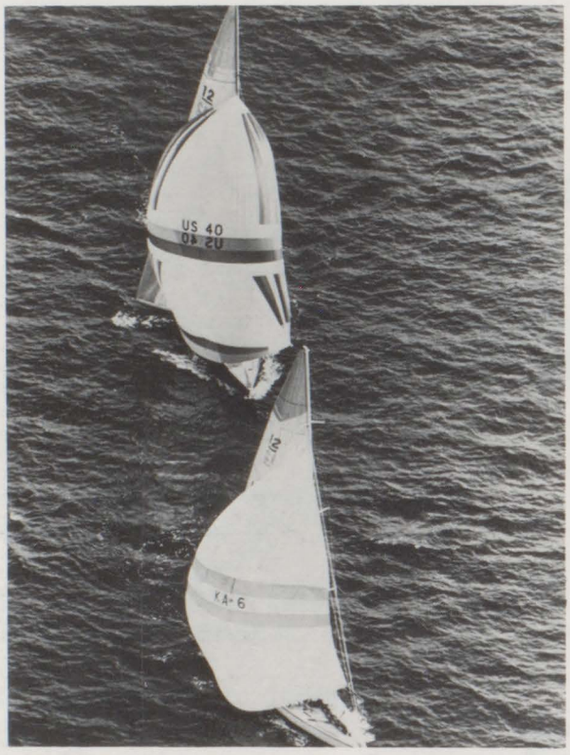
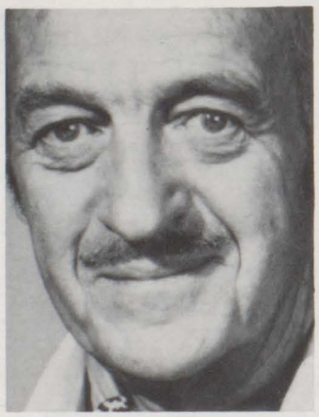
1983 WORLD EVENTS



Australia's Australia II defeated the U.S. Liberty II for the first foreign victory in 132 years to capture the America's Cup.

Astronauts Sally Ride, the first American woman in space, and Guion Bluford, the first black into space, made history on their respective shuttle flights.

Arthur Godfrey



David Niven

Lillian Carter

Jack Dempsey

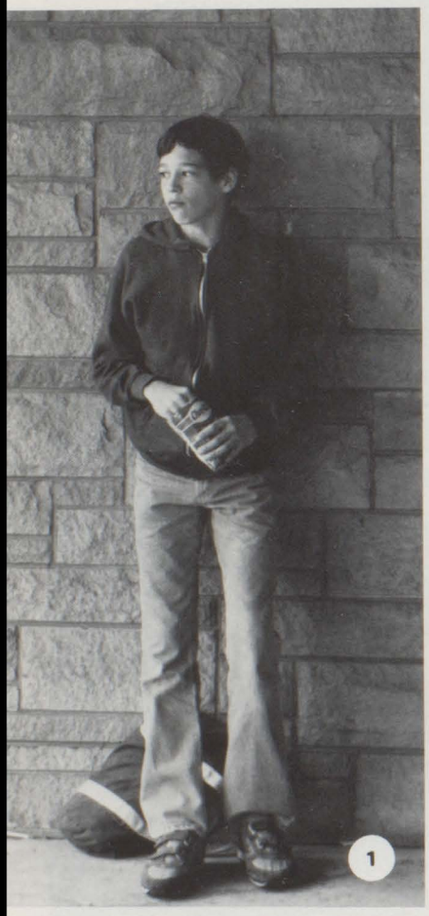
An American Marine surveys the ruins of the American Embassy in Beirut, Lebanon, after a terrorist bomb exploded, killing many and wounding over 100.

The night sky is illuminated by a shower of fireworks in celebration of the Brooklyn Bridge's 100th birthday party.

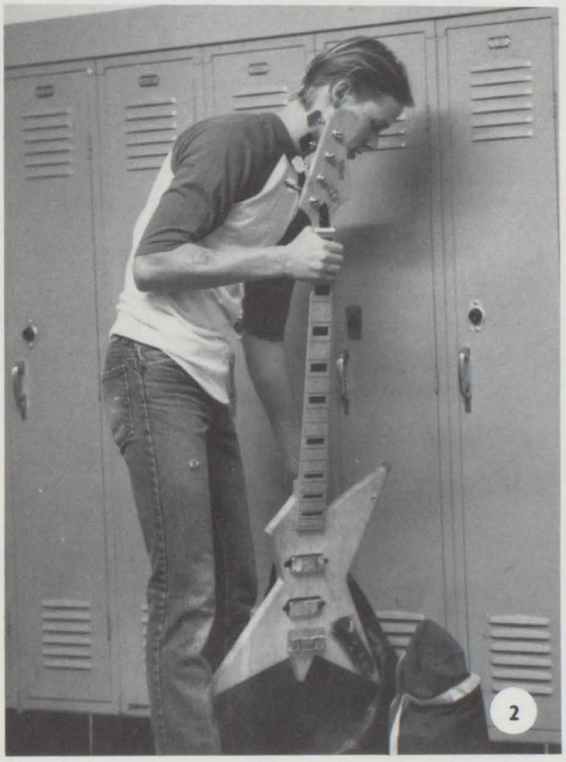
Vanessa Williams, the first black to win the Miss America contest, is crowned by the outgoing Miss America, Debra Maffett.

Todd and Nancy Tilton hold their test-tube twins, Heather and Todd, the first test-tube twins born in the U.S.

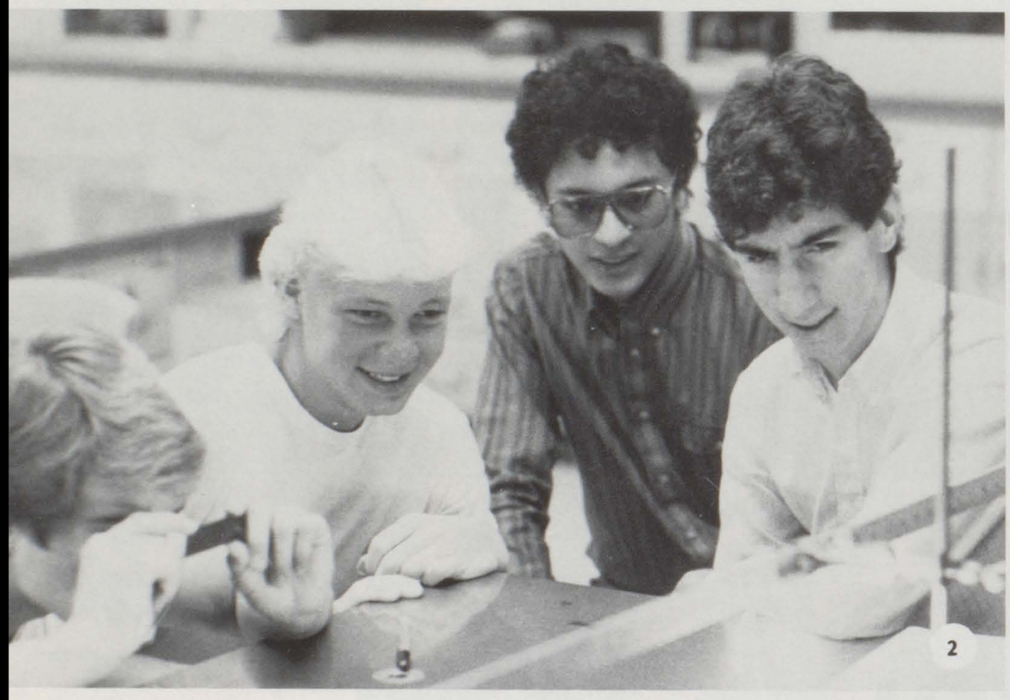
An American medical student pauses to kiss the ground after being evacuated from the island of Grenada after U.S. troops invaded in late October.



1. Doug Rekemeyer anxiously awaits a ride home while passing the time munching on Cheetos. 2. Joe Dannenfeldt smiles and says, "So what's so hard about chemistry?" 3. Mary Kay Leemans and Cheryl Barber relax before class. 4. Karl Shock and Willi Taylor lean on their buddy Ray Martinez. 5. JoAnn Humphrey gives her fingers a break from typing.



1. Homecoming Queen Julie Rolloff loves tagging those carnations. 2. A student brings his guitar to school for show and tell. 3. A student works isolated in a sea of desks. 4. Don Baker works hard on his photography. 5. Cathy Sundeen and Paula Weber deliver carnations to D-wing. 6. Kristy Baldus Considers being a geographer.

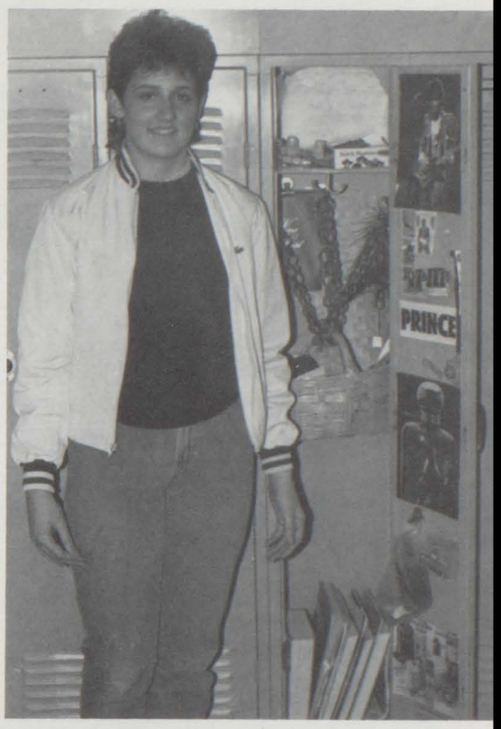


Jon Ossian masters the computer keyboard. 2. Lee Coleman, Greg Kerr, Surit Sharma, and Dan Allcott work intently on Young's experiment. 3. Eat your heart out Mr. Universe. 4. Two typing students work together on an assignment.

LOCKER ART AT MHS

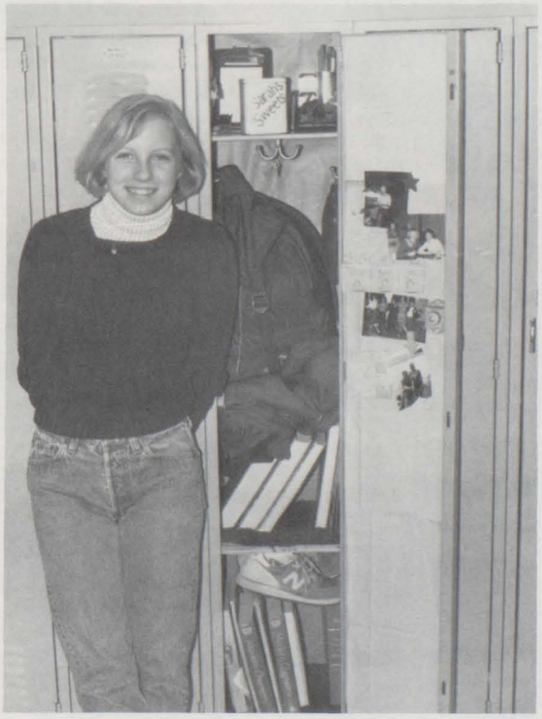
Julie Riddell and Michelle Leftwich decorated their lockers with Teddy Bears.

Jim Benson, why do you have 5 physics books in your locker?



Michelle Panno's locker sports a wicker basket.

Matt Mudd has "Rock Lobster" hanging in his locker.



Sarah Jenkins enjoys the bi-level approach.

Del Madsen appears to be a connoisseur of British music. Where's Darren?

A casual observer walking down the halls at MHS will see a variety of decorations in the lockers. One locker might sport brightly colored paper while another may be covered with pictures of rock stars. Mirrors, comic strips, sticker, and even withering carnations grace the walls of many lockers. Students seem to feel their lockers are a sort of "home away from home", an extension of their own personalities.

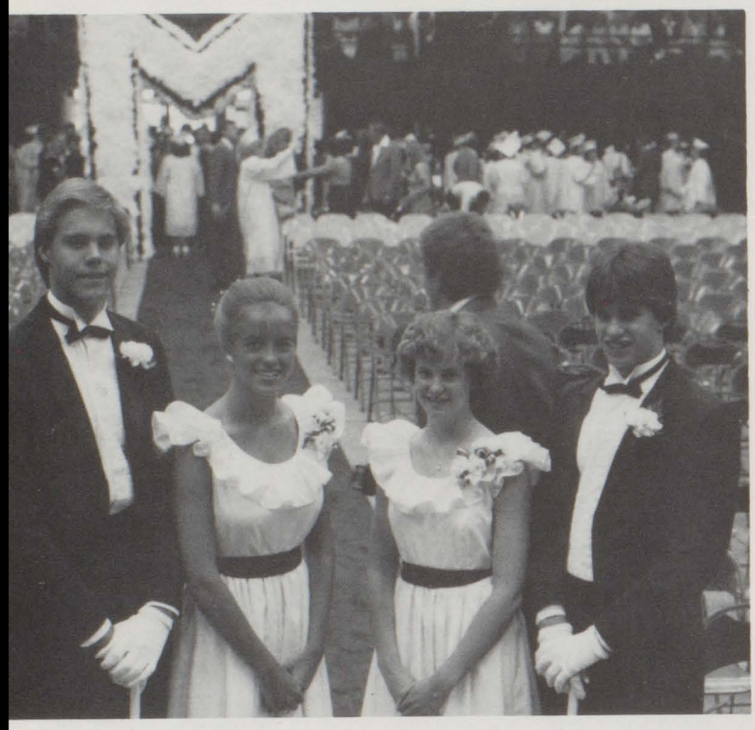
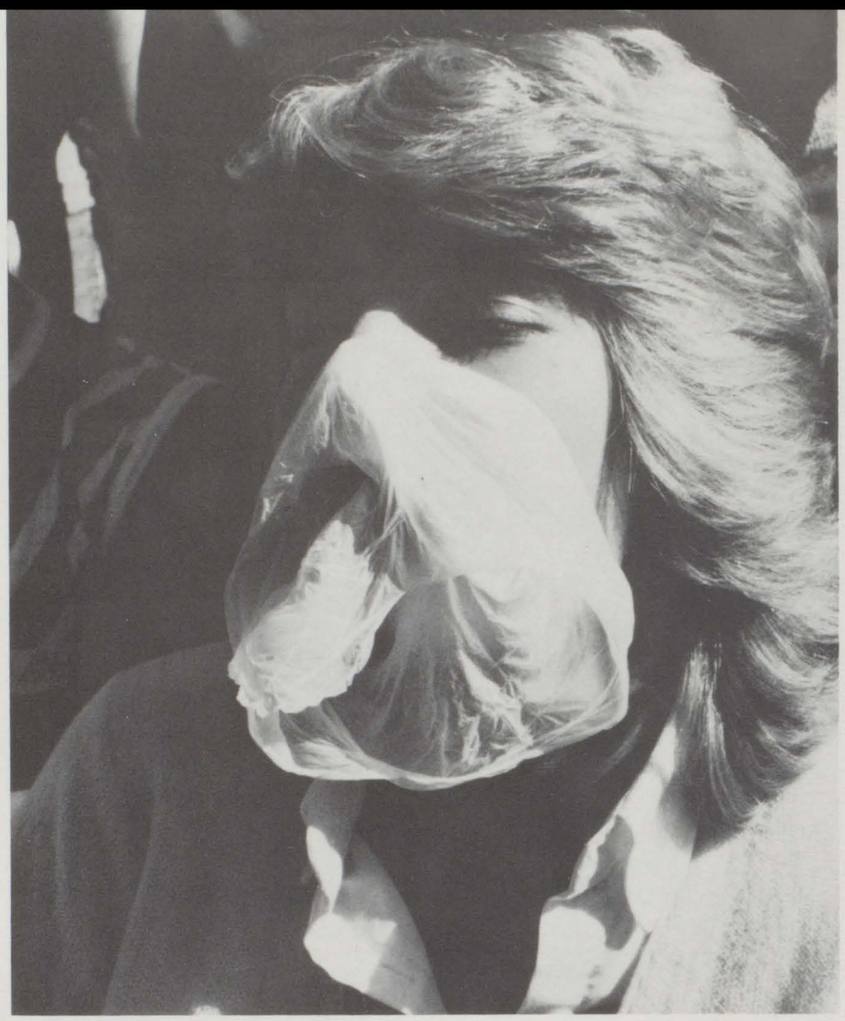
WAS BIG BROTHER WATCHING US?



Dave Scott, Julie Riddell, Julie Rolloff, and Terry Hackett were last year's Junior Marshals.



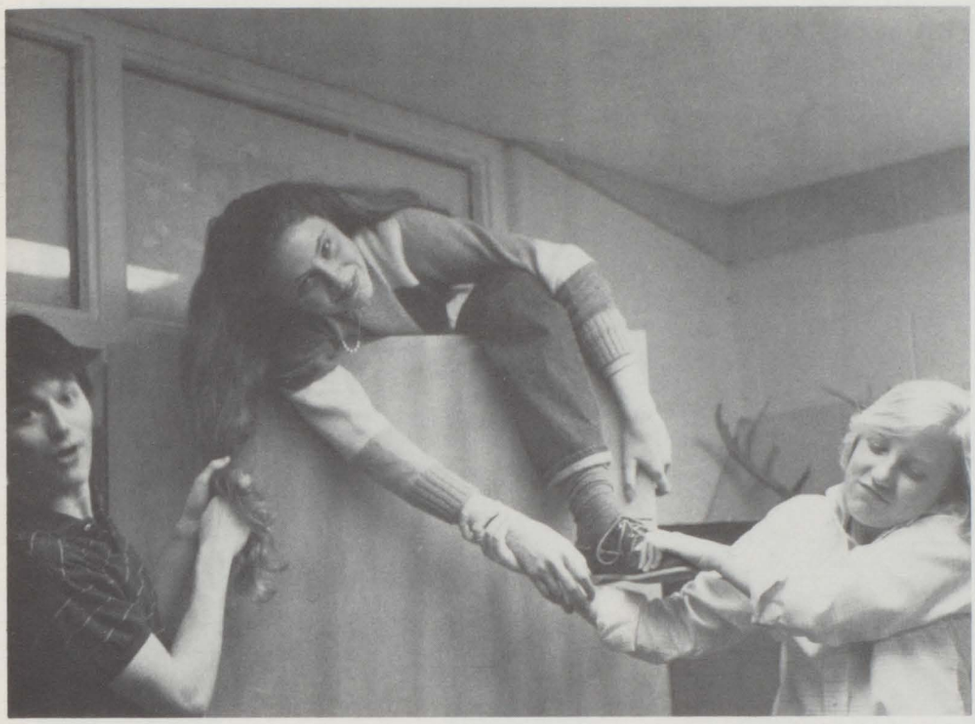
Our mystery title page girl (see page 1) is Kris Erickson.

Freshmen Sue Bunte, Rose Willson, and Julie Dougherty enjoy getting out at 3:30.

MHS cheerleaders show their spirit at the Bonfire.

Lisa Moore, Sue Bunte and Tricia Wismer help pomp the freshman float.

MHS 1984



The yearbook editors go a little crazy in the staff room after meeting a deadline.

Becky Watkins — what a charming smile.

Juanita Flores and Beth Stolarick have a laugh during chemistry.

"Wake up Kurt, it's your line," whispers Mike Pershing.

Bursting! MHS was certainly bursting at the seams this year! We hope that everyone enjoyed being part of a four year high school this year and we hope that this book will provide an interesting and accurate report of the 1983-84 school year. We would like to thank Mr. Wes Johnson for his help with photography, Mr. John Adolphi and Mr. Ron Chappell for class portraits, color pictures, and candids, and we would like to thank the Daily Dispatch for the many pictures they allowed us to use. Many thanks also to Mr. Howard Dusek, sales representative, and to Mrs. Dee Cordell and Ms. Penny Nelson, publication consultants, from American Yearbook Company. Special thanks to Mr. Rich Whitford and to Henson Associates for permission to use Muppet characters, names, and events. Thanks also to Mr. Joe Mortier, our yearbook advisor, for his understanding and patience in working with us. And a **very** special thanks to our editors Mike Klouda, Ann Pierce, and Sarah Jenkins for their dedication.
